Alice,
To one of the dearest friends
I have I wish you all the
good luck and happiness you
deserve. You have a grand
personality and I know you will
succeed in life. At times I had my
doubts as to whether or not we
would make it but we finally
did. All the good times we had as
freshmen and Sophmores will
just double now that we are
Jr. and next year when we are
Sr. to a very sweet girl. Good luck!
Love always,
Frances
"Francie"

Alice,
Good luck in
everything you
do.
Marguerite

Best of luck always
to a wonderful girl
Love
Pam

alice,
I want to wish you
the best of everything
to one of the nicest
girls I know. May
God bless you always.
Love,
Nancy

Wee, dozzies! What a year!
But as Juniors we must live
it up. I know that we will
have more fun next year as
"The" team. Let stay best friends
forever. (If you think you can stand me
that long.) By the time ~~you~~ we get
around to selling magazines and candy, I'm
sure we'll too excited to think of homework,
but I hope will still be friends long
after we graduate. But, lets give old
Warren Hi something to remember.

Love ya!
Karen

Dear Alan,
Hi's always been my policy
to be a little different, so I'm
not going to tell you what a
nice, considerate friend you've
been all these years! (How's that?!)
But I will say that I hope we
continue to have good times together always!

Love,
Lori

The 1965 Mustang

Morven High School

Morven, North Carolina

Our castles in the air do not remain inaccessible dreams. Gradually, imperceptibly, they become reality. During this transition each molds his life and in so doing builds the foundation for his future. In our high school years we prepare for life. Our castles will be what we make them.

Dedication

In grateful appreciation of the immeasurable understanding, devotion, and patience shown to us in the past four years, the Senior Class of 1965 dedicates this edition of the "Mustang" to Mr. J. B. Bowles. He will long be respected and remembered as our principal, our coach, and most of all, our friend.

Seniors

Senior Class

Thirty-four students entered the twelfth grade with anticipation for the most enjoyable year at Morven High. By working and playing together in our various activities, we have made lasting friendships. Being seniors, we realize that we are now on the threshold of life. We are reluctant to leave and yet eager to conquer new horizons.

Don't rock the boat

Junior Class

We made it! The coveted title of "Jolly Juniors" is ours. This year has been one of wonderful memories: candy and magazine sales, ordering class rings, and the paramount task of giving a Junior-Senior. Anticipation and hard work will establish our class as the best Juniors yet.

Sophomores! To others this means nothing, but to us it is a very important fact. It means we have climbed another step on the ladder to higher education. We are looking forward to our Junior year with its class rings and prom. But until we reach the high position of Juniors, we are proud to be Sophomores.

Freshman Class

When the day finally came for us to enter high school, we found we had much to learn about the daily routine and rules of the school. Our class of six girls and sixteen boys is a bit unusual as you can see by our class election. However, this has not prevented us from enjoying our first year of high school and looking forward to our sophomore year to lord it over the new freshmen.

"In the Misty Moonlight" . . .

the class of 1965 entered a fairy land of faintly glowing moonbeams and silvery stars perfumed with the odor of unnumerable flowers. For the happiness and wonder of this never-to-be-forgotten occasion, we wish to express our undying gratitude to the class of 1966 for a memorable Junior-Senior Prom. The lovely whirling gowns, the dreamy music, the tempting refreshments, and the softly splashing fountain all wove a pattern of enchantment into a night to remember and to cherish forever.

Commencement

Now the time has come for the class of 1965 to say farewell. The transition will soon be complete. All life is a series of changes as we undergo new experiences. Just as we have become in the past, in the words of Tennyson, a part of all that we have met, so we look forward eagerly to our participation in the world of tomorrow. Though we may be far apart in the coming years, our memories of this joyful occasion will ever keep us close.

The many people who have made our yearbook possible cannot be overlooked. Our photographers, our advisor, Mrs. Thomas, the faculty, and the students of M.H.S., all have had a part in the production of our book and deserve our most sincere thanks. Although it has meant a lot of hard work, we hope each of you will enjoy our yearbook as much as we have enjoyed working on it.
